

Penny War

Challenge

When:

May 4th through May 15th

Where:

Band Rooms at BSHS, PKMS, and BHMS

How To Participate:

Each section will have their own coin bucket for collecting money. Each day, the buckets will be collected and points will be totaled. The totals will be updated on the buckets throughout the week. The more money collected in each section, the better chance for winning!

To make this competition fair, we will consider the ratio of money collected to the size of the section.

This allows smaller sections to compete with the larger sections.

What Are The "Sections?"

Competition will done in performing sections with brass, woodwinds, percussion, and color guard.
